Terms and Conditions of application for funding of conferences and internships

§1 General Regulations

1. Each student of the *International doctor studies in the field of social-cognitive-neuroscience: CogNeS* is obliged to participate in at least one scientific conference and one short-term foreign scientific internship (*Terms and Conditions of recruitment and participation in the project §5 section 1 sub-section c*).
2. One person can apply for financing of more than one conference and internship.
3. The trip for which funding can be granted must begin not earlier than October 1, and expenses must be settled up to September 30 of the academic year for which the financing was granted.
4. The funding is granted in the competition procedure. The committee consists of the Head of the CogNeS Project and two employees of the Jagiellonian University holding a habilitation degree. The call for applications is continuous.
5. The money will be paid according to the mobility procedures at the JU, which specifies the template of the mobility application form and the dates of its delivery to the International Relations Office and the procedure of the settlement of the payments.

§2 Conferences

1. The CogNeS Project provides funds for:
 1. 15 conferences during academic year 2019/2020;
 2. 15 conferences during academic year 2020/2021;
2. The granted amount is up to 3 800 PLN per conference.

§3 Internships

1. The CogNeS Project provides funds for:
 1. 10 internships during academic year 2019/2020;
 2. 5 internships during academic year 2020/2021;
 3. 5 internships during academic year 2021/2022.
2. The granted amount is up to 10 000 PLN per internship.
3. The Project does not specify the length of the internship.
4. The student is obliged to provide the Head of the CogNeS Project with the report of the activities accomplished during the internship within two weeks after the return. See Attachment 1 to the Application form for the template of the report.
